

# THE PALM OFFERS THE HIGHEST QUALITY **FEATURES AND FINISHES**, TO MAKE YOUR SUITE A BEAUTIFUL REFLECTION OF YOUR INDIVIDUAL TASTE.

The Palm – conjuring images of the exotic, the sultry, the mysterious - an oasis rising from the torrid heat of the desert to the verdant cool of a tropical island. The Palm, the international symbol of resort living rich in Mediterranean élan. Such is the inspiration behind The Palm; a residential condominium building of unique architectural stature resplendent with purposeful artistry. Here in the heart of Canada's largest city, The Palm will rise – a stunning architectural tribute growing like a magnificent palm tree steps from Finch subway. The building itself incorporates the vision of a palm into its very architecture – through the fusion of magnificent pre-cast, stucco and lightly tinted glass. Enter this fabulous place through a curving fore court, resplendent in rich materials. Here life takes on new beauty, new possibilities – where the fragrant breeze that kisses the gentle fronds of the palm, will bring a breath of fresh air to your life.
